## La voie navigable, en bref

**Profil de la voie navigable :** Avec ses 386 km de longueur, elle traverse le Centre de l'Ontario, de la baie de Quinte à la baie Georgienne, avec 37 écluses classiques, deux échelles d'écluses, deux écluses ascenseurs hydrauliques et un ber roulant.
**Période d'ouverture :** De la mi mai à la mi octobre
**Droits et permis :** Les permis d'éclusage, d'amarrage, de camping et de logement sont en vente à tous les postes d'éclusage ainsi qu'en ligne à l'adresse ***www.pc.gc.ca/permisplaisancier*** *et* ***www.reservation.pc.gc.ca***.

**Renseignements complémentaires** sur la Trent-Severn à l'adresse ***www.pc.gc.ca/trent.***

**Soyez prudents :**
- Restez loin des sas d'écluse et des structures de barrage
- Restez à bonne distance des mécanismes des écluses
- Ne vous baignez pas dans le chenal de navigation ou à moins de 40 m d'une porte d'écluse ou d'un barrage, ou dans les zones d'interdiction signalées par des panneaux
- Veillez à ce que les enfants soient accompagnés en permanence
- Demandez conseil aux éclusiers
