ENGAGEMENT WITH INDIGENOUS PEOPLES ON ECOLOGICAL CORRIDORS

Meaningful engagement of Indigenous governments and communities

- Early and ongoing engagement
- Range of perspectives
(e.g., Elders, youth, women, 2Spirit)

Prioritization of Indigenous views and perspectives

- Ethical space
- Two-eyed seeing
- Indigenous stewardship values:
 - Cultural keystone species
 - Bio-cultural monitoring
 - Traditional trade routes
 - Trapping/hunting routes

WHAT WE
HEARD

Indigenous leadership and accessibility

- Co-designation as an Indigenous Protected and Conserved Area
- Stewardship/Guardians connections:
 - Learning opportunities
 - Gathering and ceremony
 - Traditional medicine planting and gathering
 - Hunting and trapping
 - Indigenous languages

Co-existence with wildlife

- Indigenous-led conservation
- Sustainable management strategies
that promote connectivity
