EXPLORA *Tour with Technology!*

Wander around the Astotin Lake Area and down Shoreline Trail. Explora will make you look like an expert; giving you directions, letting you tell Elk Island's stories while showing you cool photos! Borrow a device from the Astotin Theatre and take your family on a guided tour!

TEEPEE CAMPING

Have you ever wanted to sleep in a teepee? Here's your chance! Elk Island is offering 3 brand new teepee campsites. The teepees sit on a raised platform and come with comfy sleeping mats. Reserve your campsite today!

PACK ELK ISLAND ON YOUR BACK

These family day packs come with binoculars, an animal identification guide, a pond dipping kit, trail maps and information about other attractions in the area. Pick up a pack at the Astotin Theatre, Visitor Centre or Sandy Beach Campground and spend a fun-filled day with your family!

BISON STAMPEDE

Watch out for the stampede of bison as you walk into the Visitor Centre! Here you can discover the creatures of Elk Island on a stunning wall sized mural. See if you can identify all of the unique species home to Elk Island.

MEMORIES ARE FOR SHARING...coming soon

Discovering a magnificent bison for the first time, rest and relaxation at peaceful Tawayik Lake, identifying animal scat at one of our interpretive programs, or a back country camping adventure, are all examples of a great experience! We want you to tell us all about it. Connect with Elk Island staff at the Visitor Centre and share your memorable experience by inputting them onto a computer with the opportunity to upload or scan your photographs of these amazing experiences.

MOOSE MORTALITY - another conservation effort

In order to better monitor the increasing mortality rate of moose in Elk Island, animals have been radio collared. When the collared moose dies the radio emits a signal where staff can locate the carcass location, then do a necropsy and collect tissue samples to determine the cause of death. These collars are monitored daily and can last for up to 5 years. For more information about this program please call the Main Park number 780-992-2950.

BOAT LAUNCH CLOSURE

Due to heavy drought conditions, boat trailer launching is unadvisable. Please walk your boat to the shoreline of Astotin Lake and launch from there.
