

Do you like **GADGETS?**

Do you like **EXPLORING?**

Try finding our three geocaches that are hidden in Grasslands National Park's West Block!

Use a GPS to find the hiding spot. When you get to each geocache make sure to complete the activities. You'll learn so much to share with your friends and family!

Congratulations!

You found them all! Good work! Once you have found all the caches, you can bring your completed booklet back to the Visitor Centre to collect a PRIZE!

Remember to take only pictures and leave only footprints so other kids can see the same neat things as you!
