General Information and Map

The National Parks of Canada

Prince Edward Island National Park

Main, Routes

New Brunswick, Nova Scotia

Prince Edward Island

General Information

Department of Mines and Resources

Published on behalf of the National Parks Branch, National Parks Branch, Ottawa, Canada.
The park is composed of three main sections, each of which is described below:

**Haling Water Section**—This section, which contains the majority of the park, is accessible from the town of Victoria, which is the administrative center of the park. The section is characterized by its beautiful beaches, which are located in the vicinity of the Brackley Beach region. The beach is a popular destination for tourists and is renowned for its beauty and tranquility.

**Western Section**—This section is located in the northwestern part of the island and is accessible from the town of Prince Edward. The section is characterized by its stunning natural features, which include the Cavendish or Green Gables section, which is the site of the famous Green Gables House, the residence of the novelist Lucy Maud Montgomery.

**Eastern Section**—This section is located in the northeastern part of the island and is accessible from the town of New London. The section is characterized by its extensive forests, which are home to a wide variety of wildlife.

**Registration of Visitors**

No entrance fee is charged for entering the park, but minimum exposure is required for record purposes. Permits may be obtained from the Park Superintendent for the use of the park areas. The permits are valid for the use of the park areas for a period of two weeks or fraction thereof. Permits may be obtained from the Park Superintendent or from the Canada office located in the vicinity of the campgrounds.

**Administrative Headquarters**

The administrative headquarters of Prince Edward Island National Park is located in the town of Prince Edward. The headquarters is accessible by road and is situated on the north shore of the island. The headquarters contains offices, a museum, and facilities for the administration of the park. Visitors are requested to register for record purposes at the headquarters.

**Accommodation**

Accommodation in Prince Edward Island National Park is provided by a number of privately owned establishments within the park, and by several hotels, located in the vicinity of the park. The accommodations include Green Gables, located in the Cavendish or Green Gables section, and other hotels located in the vicinity of the park.
