WELCOME TO CANADA'S ALPINE ADVENTURE

For over 125 years, Banff National Park has provided visitors with a healthy combination of unspoiled wilderness, modern amenities and opportunities for active exploration. With such a breathtaking landscape, it's no surprise that this UNESCO World Heritage Site has been nominated time and again as a "must-see" destination for travelers around the world.

Please help protect Banff National Park by minimizing your personal impact. Keep a safe distance from wildlife, don't feed animals and respect seasonal area closures.
