Rediscover

Cave and Basin National Historic Site

THE BIRTHPLACE OF CANADA'S NATIONAL PARKS

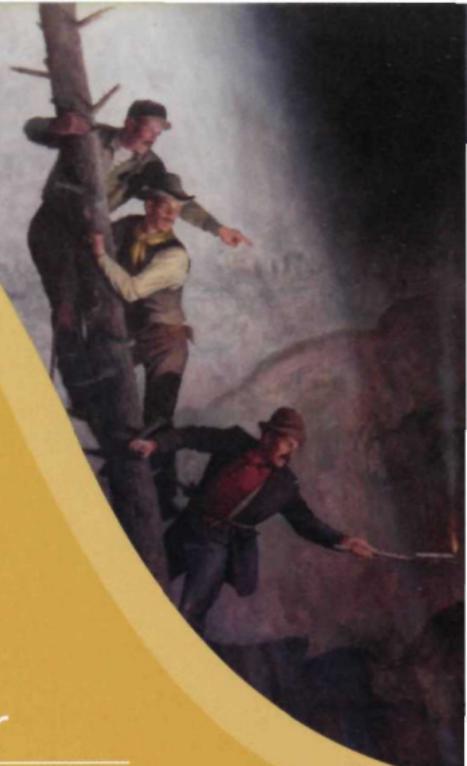

Parks
Canada

Parcs
Canada

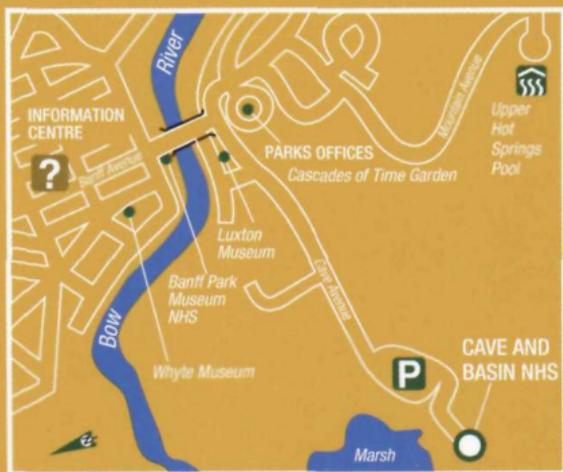

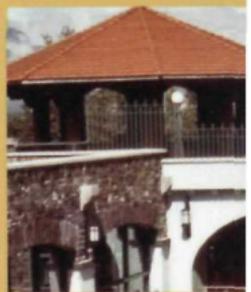

Canada 

In the fall of 1883, three railway workers came across the Cave and Basin thermal springs and the notion to protect Canada's resources ignited, leading to the first Canadian national park, Banff, in 1885.

More to Discover

- New interactive programs, exhibits and a giant HD visual experience
- The Underground Cave, a magical place where bubbling thermal waters connect people to the essence of Banff National Park
- Marshland boardwalks with excellent seasonal flower spotting and bird watching
- Accessible all season trails, great for walking, biking and snowshoeing
- Year-round family friendly programs and special events
- New onsite café and store

Open year-round. Site entry fees apply.

Également offert en français.
