PRESIDENT’S ADDRESS

To the Members of the

Historic Landmarks Association of Canada.

It is a great pleasure to come before you again, and to be able to report the work of our Association in a flourishing condition. Our institution is now well known and apparently appreciated as a useful centre of information, not only all through the Dominion, but in the old Country and in the United States as well. And as our annual meeting is held in Ottawa, it may interest you to learn that copies of our Annual Reports have been deposited within the corner stone on Parliament Hill. At the relaying of the corner stone of the New Parliament Buildings, by the Duke of Connaught, on the 1st Sept., 1916. Placed within the corner stone of the axial column of the new buildings by the Duke of Devonshire, at the Jubilee of Confederation, Dominion Day, 1917, and again, within the corner stone of the Victory Tower, laid by The Prince last fall.

It is a matter of great pride to us, that His Royal Highness, the Prince of Wales, during his recent visit to Canada, has graciously consented to become a Patron of our Association.

The only possible anxiety we feel, lies in the paucity of our finances. And yet, all your officers have cheerfully done their very best to see that the work should not at any time suffer because of this condition. For ours is a duty that should never be neglected at any stage of our Country’s history. How could we ever expect our young men cheerfully to risk their lives for their country, if they did not feel and know that any deeds of heroism they might be able to accomplish, would be cherished and recorded by the country they were trying to serve?

Again, I would like to take the opportunity of expressing my sincerest thanks to all officers, members, and historical organizations for their interest and assistance in our work—and to mention with the warmest gratitude the indefatigable and invaluable labours of our general secretary.

PEMBERTON SMITH,
President.
REPORT OF THE GENERAL SECRETARY

An era of centenary commemorations of historic events and grateful memorials to those whose names live for evermore marks the season of 1919-20.

The outstanding historic event is the opportune visit of H.R.H. the Prince of Wales whose universal, spontaneous welcome was a tribute alike to his personality and the throne. His first official act was the laying of the corner stone of the main, the “Victory Tower” of the new Parliament Buildings, September 1st, 1919.

The 26th of February, 1920, saw Parliament restored to its home on the Hill. The magnificent new building resting in trustful security on the old foundation was referred to by His Excellency in his speech at the opening, as “a building worthy of the people whose national life it will henceforth serve.” In it Canada possesses a structure worthy of her past and an inspiration and a promise for her future. What that future holds depends above all on the righteousness which exalteth a nation combined with steadfast unity of purpose and of action.

Bourinot in his “Story of Canada” speaks of “one of the finest bodies of troops in the world, the Mounted Police of Canada.” On the first of February, 1920, a record of national interest marks the amalgamation of this force, so romantic in history, and splendid in loyalty and devotion, with the Dominion Police, thereby extending its field of operations from the U.S. boundary line to the shores of three oceans. The Royal North West Mounted Police are now the Royal Canadian Mounted Police with headquarters at the Capital. We have already published several of the many interesting records of their work.

Among recent war memorials—the beautiful memorial window presented to St. Bartholomew’s Church by our former Governor General—unveiled on the 9th of November, 1919, by His Royal Highness the Prince of Wales with these words: “At the request of His Royal Highness the Duke of Connaught, I hereby unveil this window and ask you to receive it and dedicate it to the Glory of God in loving memory of those it commemorates” recalls historic memories.—The history of this little church founded in 1867, is really the history of Confederation.

The site, presented by the Hon. Thos. McKay, M.P., with the stipulation that the seats should be “forever free.” Its founder, the
Rev. T. D. Philipps, M.A; first rector, Rev. Geo. Noel Higginson succeeded by the Rev. Canon Hanington, whose faithful service extended over 39 years. But the little grey stone church owes its historic character to Government House, throughout the regime of ten Governor's General, having been attended successively by Lord Monk at Confederation, Baron Lisgar, Lord Dufferin, the Marquis of Lorne (Founder of the Royal Society of Canada), the Marquis of Lansdowne, Baron Stanley of Preston, the Earl of Aberdeen, Earl of Minto, Earl Grey, H.R.H. the Duke of Connaught, and our present Governor General, the Duke of Devonshire. Many whose names are recorded in history have worshipped within its walls. It numbers among historic gifts and those in loving memory: The bells from the Princess Louise; the organ from Lord and Lady Aberdeen; brass altar cross from Lady Stanley; altar Vessels from Lord Dufferin's family; tablet in loving memory of Gwendoline Stephenson, Lady Dufferin's sister who died at sea, Tablet and brass altar desk in memory of Lord Ava, eldest son of Lord Dufferin, who fell in the South African war, at Ladysmith. Osgoode Memorial window to the sharpshooter killed in the North West Rebellion, in 1885. A tablet to three members killed at Paardeberg, South Africa. And the fittings of the Sanctuary from the Duchess of Connaught, to whose memory a Tablet was placed there in November, 1917, "by Canadian Women friends in affectionate and grateful remembrance."

We record with regret the passing of valued members of our Association to whose families letters of sympathy have been extended and acknowledged, two, were local and deeply interested landmarks. In Sept., 1919, Hiram Robinson, Ottawa's second oldest lumber king, in his 89th year, a member of the School Board for 30 years. And Sir James Grant, M.D., K.C.M.G., F.R.S.C., full of years and honours, a beloved citizen and Canadian of world-wide distinction, in his 90th year—the last but one of the Historic Assembly of the first Parliament which sat after Confederation.

In the death of Mr. Harper Wade, at Quebec, we lost an old and valued friend of this Association.

Appeals have been sympathetically received from "Clifton Grove," Windsor, N.S., and "The Manor House," Montebello, Que., for the purchase and preservation of these historic homes. Our attention was recently called to the state of Simon Fraser's
grave in St. Andrew's East, Que. To his memory there is at least commemoration on the Crescent at New Westminster, B.C. But to David Thompson, to whom Canada owes so much, there is nothing, even his grave is unmarked. And, where are the tangible records of the raising of the 100th first Royal Canadian Regiment, or the Nile Voyageurs? Surely, there are many places hitherto unrecorded that deserve tablets to commemorate first, last, or critical fact of importance to Canadian History.

Respectfully submitted,

J. RUSSELL SIMPSON,
General Secretary.

La propagande en faveur de l'érrection de monuments ou de plaques commémoratives étant très avancés dans la province de Québec, j'ai tourné mon attention et mon travail du côté du nouveau projet conçu par le ministre de l'Intérieur pour élever des cairns sur les divers points de la Confédération où se sont passé des événements historiques dignes d'être rappelés au souvenir du peuple canadien.

Il y a douze à peu près, lorsque nous avons formé le bureau des Sites Historiques, nous ne pouvions agir que par la propagande et c'est encore notre situation, faute de ressources financières. Le réveil que nous espérions produire s'est fait assez généralement dans toutes les provinces et nulle part mieux que dans celle de Québec. Donc, nos efforts ont actuellement un résultat satisfaisant et les esprits sont préparés à faire davantage.

L'initiative prise par le ministère de l'Intérieur complète notre programme en le faisant entrer dans la voie de l'exécution et je ne doute pas que, dès le moment où l'on posera l'un des cairns mentionnés ci-dessus, il se produira pour tout le pays un grand désir de voir cette œuvre nationale se continuer dans plus de cinquante endroits où l'histoire du passé nous indiquera l'a-propos de planter des monuments pour fortifier le patriotisme et rendre hommage aux hommes méritants d'autrefois qui ont été trop peu connus ou même oubliés. Il faut que tous nos morts célèbres marchent avec nous dans l'avenir et que leur exemple nous encourage à travailler pour le Canada avec l'ardeur, le dévouement, le courage qu'ils ont déployés pour la même cause.

Le tout respectueusement soumis,

BENJAMIN SULTE.

To the President and Members of the

MR. PRESIDENT, LADIES AND GENTLEMEN:—

I have the honour of presenting to you the Financial Statement for the year ending 30th April, 1920.

The balance brought forward from the 30th April, 1919, was $338 97

and the Receipts for the year amount to 470 60

making a total of $809 57

The Expenditure has been 493 25

leaving a balance on hand of $316 32

and showing a slight decrease as compared with the previous year.

The Life Membership has been augmented by one (instead of six, as last year), making the Capital $650.00. I regret that same has had to be used in order to carry on the work of the Association.

Your Board last year increased the salary of our capable General Secretary, making it $175.00; but this is quite out of proportion to the valuable services rendered, and again I trust that the Association will before long be able to make it more in accordance with the duties of the office.

IN FLANDERS FIELDS

THE POPPIES BLOW
BETWEEN THE CROSSES,
ROW ON ROW,
THAT MARK OUR PLACE;
AND IN THE SKY,
THE LARKS, STILL
BRAVELY SINGING, FLY

SCARCE HEARD AMID
THE GUNS BELOW,
WE ARE THE DEAD:
SHORT DAYS AGO,
WE LIVED, FELT DAWN,
SAW SUNSET GLOW,
LOVED AND WERE LOVED,
AND NOW WE LIE
IN FLANDERS FIELDS.

TAKE UP OUR
QUARREL WITH
THE Foe;
TO YOU FROM
FAILING HANDS
WE THROW
THE TORCH,
BE YOURS TO
HOLD IT HIGH;
IF YE BREAK
FAITH WITH US,
WHO DIE
WE SHALL NOT
SLEEP, THOUGH
POPPIES GROW
IN FLANDERS FIELDS.
