911
- 24 Hour Emergency Service, Visitor Safety, Wildlife & Park Enforcement**
1-877-852-3100

Remember: A valid Park pass is also required when visiting us in the Winter.

Sleepover in an oTENTik

Don't want the hassle of winter camping, but still love the outdoors? Check out one of the winterized oTENTiks at Moon Lake or Wasagaming Campground.

An oTENTik is a cross between a cabin and a tent with wood floors and canvas siding, picnic table, and fire pit. Sleeping won't be a problem for you and your friends with bunk beds that sleep six comfortably. Our oTENTiks are newly insulated and equipped with wood stoves to keep you warm. There are plenty of nearby ski and hiking trails to explore during the day, and you can experience a sky full of northern lights and stars every night.

- AdventureSmart**
AdventureSmart is a national program dedicated to encouraging Canadians and visitors to Canada to get informed and go outdoors. Always pre-plan and tell someone your plan before you go!

Learn More

Pick up a Fat Bike

You must try fat biking! Fat bikes are now available to rent in Riding Mountain National Park.

Bike around the townsite of Wasagaming or on designated bike trails. If you have your own bike, head to the Burls and Bittersweet Trail or the new fat bike trail in the Wasagaming townsite for a new type of cycling adventure.

Fat bikes are available in different sizes and can be picked up at the Friends of Riding Mountain Learning Centre at 154 Columbine. Phone 204-848-4037.

Please don't walk on the groomed trails. Leave them for the cross country skiers!

Ice Fishing

Love ice fishing? Try your luck at either Clear Lake or Lake Audy.

Fishing licenses can be purchased at the Park Administration Office, the South Gate, Friends of Riding Mountain, and after hours at Elkhorn Resort. Check out our website for more information.

Winter Adventure Weekend

Join us for a full weekend of community events that will certainly capture all five of your senses.

Typically held on the second weekend in February, the communities of Wasagaming and Onanole Riding Mountain, and after hours at Elkhorn Resort. Come alive with activities to bring you back to what you love about winter. Thanks to our great friends from Clear Lake Country and Friends of RMNP, this is one of the best weekends all winter! Check our website for event details.

Skating

Explore the Park on **Snowshoes**

Discover your own path through the fresh white blanket of snow on snowshoes. Stay on a trail or let your snowshoes lead you on your own adventure.

Bring your own snowshoes or rent a pair from Friends of Riding Mountain National Park. For short adventures, snowshoe around the Wasagaming Campground or Ominnik Marsh. If you're more adventurous, drive to the north side of the park and explore Moon Lake or Bead Lakes Trails. Take it a step further to Arrowhead, Brûlé and Kinasao Trails to really connect with nature.

Winter Picnics

Home of Winter

Come explore the home of winter in Riding Mountain National Park.
The vast forest becomes a personal space just for you to explore. The quiet in the air is exactly what calls you to break away from busy schedules. The park comes alive with winter animals and gentle falling snowflakes that create the perfect peaceful backdrop. We are the **Home of Winter**.

Grab your favorite picnic, a blanket, and set up at one of our many public fire pits to enjoy a unique outdoor experience.
Food has never tasted as good as it will outside in the cool winter air alongside a warm fire. Treat yourself to a date location at Lake Katherine or Glen Beag.

Skate under the festive lights and snow-covered trees behind the Parks Canada Visitor Centre.

Afterwards, roast some hot dogs over the wood stove located inside the Visitor Centre picnic shelter. This popular skating location is favoured for its intimate feel, where you're out of the elements and surrounded by the picturesque beauty of the park in winter.

Cross-country Skiing

Riding Mountain provides cross country ski trails for all levels of ability.

You can explore the beautiful Wasagaming Campground or the Broadleaf Trail 6km loop. If you're looking for more of a challenge try the Compound East, Oak Ridge or Grey Owl ski trails. We have many groomed trails waiting just for you!

Wasagaming Townsite Map
