1. The following notes shall be read in conjunction with notes on other drawings.
2. All existing doors and windows are shown on the plans.
3. All existing doors, windows, and equipment are shown on the plans.
4. All existing conditions are shown on the plans.
5. All existing conditions are shown on the plans.
6. All existing conditions are shown on the plans.
7. All existing conditions are shown on the plans.
8. All existing conditions are shown on the plans.
9. All existing conditions are shown on the plans.
10. All existing conditions are shown on the plans.
11. All existing conditions are shown on the plans.

REMOVALS:
1. Remove existing doors and windows.
2. Remove existing doors and windows.
3. Remove existing doors and windows.
4. Remove existing doors and windows.
5. Remove existing doors and windows.

REMOVALS:
1. Remove existing doors and windows.
2. Remove existing doors and windows.
3. Remove existing doors and windows.
4. Remove existing doors and windows.
5. Remove existing doors and windows.

TRENCH DECKS:
1. The trench deck shall be constructed in accordance with the specifications.
2. The trench deck shall be constructed in accordance with the specifications.
3. The trench deck shall be constructed in accordance with the specifications.
4. The trench deck shall be constructed in accordance with the specifications.
5. The trench deck shall be constructed in accordance with the specifications.

NATURALIZED AREAS:
1. The contractor shall construct and maintain natural features in accordance with the specifications.
2. The contractor shall construct and maintain natural features in accordance with the specifications.
3. The contractor shall construct and maintain natural features in accordance with the specifications.
4. The contractor shall construct and maintain natural features in accordance with the specifications.
5. The contractor shall construct and maintain natural features in accordance with the specifications.

STAGE 1:
1. Planting of trees and shrubs shall be completed by April 1, 2018.
2. Planting of trees and shrubs shall be completed by April 1, 2018.
3. Planting of trees and shrubs shall be completed by April 1, 2018.
4. Planting of trees and shrubs shall be completed by April 1, 2018.
5. Planting of trees and shrubs shall be completed by April 1, 2018.

STAGE 2:
1. Planting of trees and shrubs shall be completed by April 1, 2018.
2. Planting of trees and shrubs shall be completed by April 1, 2018.
3. Planting of trees and shrubs shall be completed by April 1, 2018.
4. Planting of trees and shrubs shall be completed by April 1, 2018.
5. Planting of trees and shrubs shall be completed by April 1, 2018.

STAGE 3:
1. Planting of trees and shrubs shall be completed by April 1, 2018.
2. Planting of trees and shrubs shall be completed by April 1, 2018.
3. Planting of trees and shrubs shall be completed by April 1, 2018.
4. Planting of trees and shrubs shall be completed by April 1, 2018.
5. Planting of trees and shrubs shall be completed by April 1, 2018.

STAGE 4:
1. Planting of trees and shrubs shall be completed by April 1, 2018.
2. Planting of trees and shrubs shall be completed by April 1, 2018.
3. Planting of trees and shrubs shall be completed by April 1, 2018.
4. Planting of trees and shrubs shall be completed by April 1, 2018.
5. Planting of trees and shrubs shall be completed by April 1, 2018.
