# Explore

## Hiking

Choose your own adventure as you explore Fort Walsh.

### Frontcountry

Discover the 550 m Métis trail through the forest along beautiful Battle Creek.

### Backcountry

Looking for more adventure? Hike the 6.5 km Battle Creek backcountry trail that explores two abandoned trading posts in the Battle Creek valley.

## Guided Adventures

Nestled in the heart of the Cypress Hills, Fort Walsh National Historic Site is a place to embark on adventure! Engage with interpretive exhibits in the visitor centre, and go on a guided tour to discover the history that makes Fort Walsh an important part of the Canadian story.

## School Programs

Why not dive into the history of Fort Walsh with hands on activities and learn, first-hand about the role of Fort Walsh and the North West Mounted Police in shaping the Canadian west? Learn more about Indigenous heritage, too. We have several workshop options to extend your visit. Advance booking is required.

## Red Chairs

We saved you a seat! Find the Parks Canada Red Chairs, enjoy the view, take a selfie.

## Parks Canada Xplorers

Get the book. Do the challenges. Get the reward. Collect them all.

## Parks Canada National App

The Parks Canada National App is your one-stop shop for everything you need to discover iconic places, stunning sights and sounds, intriguing history, and endless adventures at Parks Canada places at your own pace.

**Souvenirs, Concession, and Picnic Area available on site**
