THE S.S. KLONDIKE, 1937-55:
A STRUCTURAL HISTORY
by Arnold E. Roos
VOLUME IV
The Manuscript Report Series is printed in a limited number of copies and is intended for internal use by Environment Canada. Copies of each issue are distributed to various public repositories in Canada for use by interested individuals.

Many of these reports will be published in Canadian Historic Sites or History and Archaeology and may be altered during the publishing process by editing or by further research.
Appendix A: Photographs
